SUMMARY

B.Tech CSE student at LNCT Bhopal with strong backend development skills in Java, Node.js, and REST APIs. Passionate about building scalable backend systems and solving real-world problems. Experienced in building scalable backend systems and AI-powered applications using RAG and LangChain. Solved 500+ real-world problems during internship with 90%+ positive feedback. Actively seeking backend / SDE intern roles.

SKILLS

Languages & Tech: Java, C++, Python, JavaScript, Node.js, Express.js, MongoDB, SQL, HTML, CSS
AI/Tools: LangChain, RAG (Retrieval-Augmented Generation)
Concepts: REST APIs, Authentication (JWT), Database Design, OOP, Data Structures & Algorithms
Soft Skills: Problem-Solving, Teamwork, Leadership, Time Management.

PROJECTS

RAG-Based DSA Tutor (AI-Powered Doubt Solver)

- Built an AI-powered doubt solver using Python, LangChain, and RAG architecture
- Implemented retrieval + generation pipeline for accurate, context-aware answers
- Improved response accuracy by **30% using RAG pipeline**

To-Do Web Application

- Built a full-stack application with authentication and CRUD operations
- Developed REST APIs using Node.js & Express handling multiple user tasks
- Integrated MongoDB and optimized queries, reducing data retrieval time by **~30%**

A Web Based Daily Expense Tracker And Receipt Generator

- Developed a web-based expense tracker with receipt generation feature
- Implemented frontend using HTML, CSS, JavaScript and PDF download functionality

PROFESSIONAL EXPERIENCE

AI Intern @Khare Classes May 2024 - Present

- Responsibilities:
- Built and improved AI-powered doubt solving systems using RAG techniques
- Integrated AI models into backend systems for real-time student query resolution
- Optimized model performance for accuracy and scalability

CERTIFICATIONS

- The Web Developer Bootcamp 2025 –UDEMY.
- Art of Prompting – IBM SkillsBuild

Achievements

- Secured **2nd Position** in **YUVA SANKALP IDEATHON 2026**, organized by the National Service Scheme unit of Keshav Mahavidyalaya, University of Delhi
- Presented an innovative solution in a competitive team-based Ideathon

EDUCATION

LAKSHMI NARAIN COLLEGE OF TECHNOLOGY, Bhopal **Bhopal, Madhya Pradesh, India**
B.Tech Computer Science – 7.0/10 *2023 - 2027(Expected)*

GOVT. MODEL H.S SCHOOL ,SABALGARH **Morena, Madhya Pradesh, India**
XIIth standard – 84.6% *2022-2023*

KIDDYS H.S SCHOOL, SABALGARH **Morena, Madhya Pradesh, India**
Xth standard – 87% *2020-2021*
